## **Gila Regional FLY-IN**

**September 21 - 23, 2018**

**[REGISTER NOW!](#)**

**GENERAL DESCRIPTION** – NMPA is hosting our 8<sup>th</sup> annual Gila Regional Fly-In with Reserve Airport (T16) as the base of operations. You may elect to camp at Negrito as in past years. For those of you who would like to visit the backcountry, but don't like sleeping in a tent, we have an option. You can make arrangements at Hidden Springs Inn (575) 533-6146, right around the corner from Reserve Airport. Tell them you are with the Gila Fly-in. A shuttle will be available to transport you to and from the motel.

We will be arriving at Reserve on Friday.

**FOOD, WATER AND PORTA-POTTI** - We will have a group breakfast Saturday and Sunday morning and group dinner, Friday and Saturday night at Reserve. Saturday dinner will be catered. For any other meals and snacks, you will be on your own. We will also have lots of water, so you don't have to pack that in. We will have portable toilets setup at Reserve only.

### **ACTIVITIES:**

**Flyouts** - If you should desire to flyout to nearby backcountry strips (Negrito, Double Circle, Beaverhead, Me-Own, Jewett Mesa, etc.), NMPA takes no responsibility for any visits to nearby strips.

**Campfire Singing** - Bring your instrument of choice for Saturday night (and your hangar stories) as we will have a group meal, campfire (if fire restrictions allow) and campfire sing-along.

**Safety Briefings** – Safety briefings are posted on our website for Negrito, Beaverhead, and Me-Own airstrips.

**FAMILIES WELCOME** - We want to make this a family friendly event, so feel free to bring your kids! For those of you without children, please do your part to contribute to a family friendly environment.
